

FLORA BANK MORATORIUM

- Industrial Development moratorium applied to marine areas defined by Flora, Agnew and Horsey Banks.
- Lelu Island remains designated as future industrial property
- Terminals, berths, jetties and causeways and other marine industrial uses cannot be developed in the moratorium area.
- Future use of Horsey Bank allowed for approved projects designated as utilities and equipment, including pipe.
- Twenty-year initial moratorium period
- Moratorium period will be revisited by PRPA every five years, and a decision made whether to reset the twenty-year period.
