

WELDING AND HOT WORK PERMIT

All Hot Work may only commence when this 'Welding and Hot Work Permit' is completed in its entirety and emailed to the Harbour Master's Office via the Port Security Operations Centre (PSOC) (psoc@rupertport.com). All portions of the Permit must be completed and each question on the attached sheet must be answered in the affirmative.

Company/Vessel: _____

Date/Time From: _____ To: _____

Berth/Anchorage: _____

Nature of Welding or Hot Work: _____

Precautions

Each Question must be answered either Yes or No. If any question is answered "No", work cannot commence without specific authorization granted by the Duty Harbour Master.

- | | | | |
|-----|--|-----|----|
| 1.) | Will the area be dust free? | YES | NO |
| 2.) | Will the area be gas free? | YES | NO |
| 3.) | Will the area be well clear of storage of flammable liquids, solids and gases? | YES | NO |
| 4.) | Are fire hoses charged and is firefighting equipment on site ready to use? | YES | NO |

Note: A fire watchman is to be employed to observe the effect of hot work on the other side of bulkheads etc. and is to remain on duty for 30 minutes after completion of hot work.

Declaration:

We have answered the questions on the checklist and have satisfied ourselves that the entries we have made are correct to the best of our knowledge.
