

ANNUAL REPORT TO PARLIAMENT

ACCESS TO INFORMATION ACT

REPORTING PERIOD:
APRIL 1, 2022 TO MARCH 31, 2023

Introduction

The *Access to Information Act* (the “Act”) provides Canadian citizens, permanent residents, or any person or corporation present in Canada a right to access information that is contained in government records.

Prince Rupert Port Authority (“PRPA”) is listed under the Schedule of the Act and pursuant to section 94, has prepared its annual report on the application of the Act within the organization to be tabled in Parliament by the Minister of Transportation, the Minister responsible for Canadian Port Authorities.

PRPA is a Canadian port authority established by virtue of Letters Patent, issued by the Minister of Transportation pursuant to Section 8 of the *Canada Marine Act*.

PRPA is responsible for administering activities within the Port of Prince Rupert related to shipping, navigation, transportation of passengers and goods and the handling and storage of goods, with a mission to develop and grow the Port of Prince Rupert in a sustainable, economical, safe and environmentally sound manner.

Access to Information Program

The President and Chief Executive Officer of the Prince Rupert Port Authority is the Head of the Institution for the purpose of administering the Act. The responsibilities of the Head of the Institution under the Act have been designated to Shelby O’Brien, Vice President, Commercial and Regulatory Affairs & General Counsel (the “Delegated Head”), pursuant to the attached Delegation of Authority Order of April 20, 2023. PRPA’s Access to Information and Privacy Coordinator (“ATIP Coordinator”) is Bhupinder Baath, Associate Corporate Secretary and Compliance Officer.

Proactive Publication

PRPA is a government institution for the purposes of Part 2 of Act and has a legislative requirement to publish travel and hospitality expenses as defined by section 3 of the Act. Agnes Piotrowski, Vice President of Finance is responsible for implementing proactive publication for PRPA.

No proactive publication for travel and hospitality expenses were made during the reporting period. PRPA is gathering information and will publish proactive publications retroactively for 2023 to the open Canada site later this year.

PRPA has reviewed internal manual processes and system capabilities to generate reports effectively for 2024.

Procedures and Monitoring

Procedures are in place directing all formal *Access to Information Act* Requests (“Requests”) and enquiries to the ATIP Coordinator, under the supervision of the Delegated Head, who ensures that Requests are processed in accordance with the Act.

The ATIP Coordinator monitors the processing time of the Requests and reports monthly to the Delegated Head of the program. The ATIP Coordinator ensures that responses to Requests are handled in a timely manner, in compliance with the Act and endeavors to respond to Requests within the 30-day timeline.

As required by the Directive on Access to Information, summaries of completed Access to Information (ATI) requests are published on the Open Government portal.

Statistical Report

PRPA received four (4) formal Access to Information Requests (the “Requests”) during the period of April 1, 2022, to March 31, 2023 (the “Current Reporting Period”). One (1) Request was closed during the Current Reporting Period and six (6) Requests were carried over to the next reporting period, three (3) of which were carried over from more than one reporting period. Twenty-five percent (25%) of Requests were completed during the initial legislated timeline with all records disclosed within 1 to 15 days.

PRPA’s multi-year trend for Requests can be characterized by peaks and valleys; a number of reporting periods with no Requests, followed by a reporting period with several and/or complex Requests. For example, from April 2014 to March 2016 only one (1) Request was received per reporting period, but six (6) Requests were received in the April 2016 to March 2017 reporting period. In the 2017-2018 reporting period, two (2) simple requests were received, followed in 2018-2019 by the receipt of four (4) complex Requests, zero (0) in 2019-2020, with (1) Request during the 2020-2021 reporting period and (1) Request during the 2021-2022 reporting period. Four (4) Requests were received during the Current Reporting Period.

For the Current Reporting Period, three (3) Requests, received from a single organization and outstanding from the 2019-2020 reporting period, and three (3) complex requests received in the Current Reporting Period were held over due to the complexity of the Requests, consultation requirements, and the interference with regular business operations due to the nature of the Request.

For the Current Reporting Period, seven (7) Consultations (“Consultation Requests”) were received from other Government of Canada Institutions all of which were closed during the Current Reporting Period. Of the seven (7) Consultation Requests that were closed, all seven (7) were disclosed entirely (100% of the Consultation Request)

The Covid-19 pandemic caused no impacts in the ability to process Requests and Consultation Requests during this reporting period.

Attached is the Statistical Report which provides a detailed summary of data on Requests received between April 1, 2022, and March 31, 2023.

Training

During the Current Reporting Period informal briefings and updates were provided by the ATIP Coordinator at meetings held by various departments. Information was provided on PRPA's obligations for proactive disclosure to applicable departments.

PRPA has been actively participating in virtual training sessions put on by the Access to Information and Privacy Communities Development Office (APCDO).

PRPA has in the past successfully secured training through the Canada School of Public Service ("CSPS"). In recent attempts to register employees for training, PRPA was advised that the organization was no longer eligible to use the services of CSPS. As an organization that is subject to Requests and Consultation Requests under the Act, PRPA has been told that any relevant training for staff who are responsible for complying with these Requests is not available to them.

Initiatives and Projects to Improve Access to Information

PRPA has taken steps to modernize the delivery of services by engaging with the Treasury Board of Canada Secretariat to start the onboarding process for the ATIP Online platform during the Current Reporting Period.

Policies, Guidelines and Procedures

No new policies, guidelines or procedures related to the Act were implemented by PRPA during the Current Reporting Period.

Complaints or Audits

PRPA received no complaints, no audits were conducted, and no investigations were undertaken or concluded during the Current Reporting Period.

The **PRESIDENT & CEO**, pursuant to subsection 95(1) of the *Access to Information Act* and subsection 73(1) of the *Privacy Act*, and section 6.1 of the *Policy on Official Languages*, hereby delegates to the person holding the position set out in the schedule below, or the person occupying, on an acting basis, that position, to exercise the powers, duties and function of the **PRESIDENT & CEO** as the head of **PRINCE RUPERT PORT AUTHORITY**, under the provision of the Acts and related regulations set out in the schedule opposite each position. This delegation order replaces all previous delegation or designation orders and remains in place until it is revoked, replaced, or modified.
